

Privacy Policy

Last update 15 - 10 - 2018

Introduction

PranaGEO takes your privacy very seriously. This privacy policy has been prepared in line with the EU's General Data Protection Regulation (GDPR) which takes effect on 25 May 2018. The GDPR promotes fairness and transparency for all individuals in respect of their personal data. This privacy policy applies to all data we process, and by using PranaGEO Products of Services you consent to our collection and use of such data. If you would like to get in touch about anything in this policy or about your personal data then please contact us at connect@pranageo.com.

What personal data do we share with third parties and who are they?

1. Why do we share data outside of the EU
2. How do we keep your personal data secure?
3. Changes to our privacy policy and control
4. Your rights
5. About us

1. Data we collect

As a data controller we collect a variety of data in order to deliver our services. Whenever we collect Personal Information from you we are open and transparent about its use, any you can access the following precise information from us:

- data we have collected from you
- the basis on which we are holding it (e.g. because you gave us consent)
- what we will do with it
- how long we will hold it for
- where it is stored
- who it might be shared with
- your rights in relation to the data, and
- information on how you can access and manage this data.

We have provided further detail below about the specific types of data we collect and our reasons for doing so.

When you sign-up to one of our newsletters we collect the following data: email, role.

- We use this data to: send you regular newsletters updating you on all things PranaGEO.
- We collect this data using the lawful basis: Consent.

When we distribute surveys, we use the following data: name, email.

- We use this data to: To distribute surveys to you from time to time.
- To capture pre, mid, post program feedback to be later passed to our accelerators.
- We collect this data using the lawful basis: Legitimate Interest.

There are certain situations in which we may share access to your personal data without your explicit consent; for example, if required by law, to protect the life of an individual, or to comply

with any valid legal process, government request, rule or regulation.

2. Which third parties do we share data with?

When necessary to run our programs, we share personal data with the following third parties:

- MailChimp – Data is transferred outside of the European Economic Area to United States under the protection of EU/US Privacy Shield.
- Bitrix24 - Data is transferred outside of the European Economic Area to United States under the protection of EU/US Privacy Shield.
- SurveyMonkey - Data is transferred outside of the European Economic Area to United States under the protection of EU/US Privacy Shield.
- Google – Data is transferred outside of the European Economic Area to United States under the protection of EU/US Privacy Shield.
- Amazon – Data is transferred outside of the European Economic Area to United States under the protection of EU/US Privacy Shield.
- Microsoft - Data is transferred outside of the European Economic Area to United States under the protection of EU/US Privacy Shield.
- AWS - Data is transferred outside of the European Economic Area to United States under the protection of EU/US Privacy Shield.
- Contabo - Data is not transferred outside of the European Economic Area but resides in Germany under the protection of EU/US Privacy Shield.

There are certain situations in which we may share access to your personal data without your explicit consent; for example, if required by law, to protect the life of an individual, or to comply with any valid legal process, government request, rule or regulation.

3. Why do we share data outside of the EU

We may transfer personal data to a country outside of the European Economic Area (EEA), for example to one of our non-EEA accelerator programs. If this is the case we will ensure that the transfer is legal and your data is secure by following the EU's guidelines.

4. How do we keep your personal data secure?

We keep your data secure in a number of ways, including:

- by following internal policies of best practice and training for staff
- by using Secure Socket Layer (SSL) technology when information is submitted to us online
- In the unlikely event of a breach of our security we will inform the relevant regulatory body within 72 hours and, if your personal data was involved in the breach, we shall also inform you.

5. Changes to our privacy policy and control

We may change this privacy policy from time to time. When we do, we will add notices to our website. By continuing to access or use our services after those changes become effective, you agree to be bound by the revised privacy policy.

6. Your rights

Your personal data is yours and you have rights over it, including but not limited to:

- the right to be informed about the collection and use of your personal data
- the right of access to your personal data and any supplementary information
- the right to have any errors in your personal data rectified
- the right to have your personal data erased
- the right to block or suppressing the processing of your personal data
- the right to move, copy or transfer your personal data from one IT environment to another
- the right to object to processing of your personal data in certain circumstances, and rights related to automated decision-making (i.e. where no humans are involved) and profiling (i.e. where certain personal data is processed to evaluate an individual).

To manage your data you can contact us via email with any requests that you may have.

While we do not hold personal data any longer than we need to, the duration will depend on your relationship with us.
